## 2015 Tribute Gifts

### **Remembered with Love**

We are deeply grateful to our growing family of supporters for sharing their compassion and for investing in PAWS' life-saving mission. Each and every gift makes such a difference in the lives of the cats, dogs and wild animals we care for.

Within these pages you will find the names of those who have given so generously in honor or memory of someone special to them or a beloved companion, together with details of who they have chosen to honor. We give our sincerest thanks to them all for their support.
