For Upper Elementary (3-5)

Writing

How can you be a responsible pet owner? Please write in complete sentences, and include at least four items we talked about in the video.

A large rectangular area with an orange border, containing 20 horizontal black lines for writing.

Further Exploration Additional Activities & Projects For Upper Elementary (3-5)

Science

Do an experiment to see which toy is a favorite of a pet in your life. Ask an adult to help you. Choose three toys and line them up in front of your pet and see which one they pick. Then repeat this four more times. Record the results. Then do this entire process two more times throughout the week to see if your results change at all.

Day One

Day Two

Day Three

Math

Figure out how much food a pet in your life eats in one day, one week, one month, and one year. Show all amounts in cups or pounds.

One Day:

One Week:

One Month:

One Year:
