Answer each question by circling A or B. For every question you answered A, color a heart in green. For every question you answered B, color a heart in red.

Question 1

Do you recycle?

- A. Yes
- B. No

Question 2

Do you pick up trash when you see it?

- A. Yes
- B. No

Question 5

Have you planted flowers or trees outside?

- A. Yes
- B. No

Question 3

Do let the sink water run when brushing your teeth?

- A. No
- B. Yes

Question 4

Do you keep lights off in unused rooms?

- A. Yes
- B. No

The more green hearts you have, the kinder you are being to the Earth! If you have any red hearts, try to make them green in the future and you will be taking better care of the Earth.
