Writing

Why should we not feed waterfowl like the Mallard duck?

A large rectangular box with an orange border containing ten horizontal black lines for writing.

Science

Try to find foods that a Mallard duck eats in your local area. Write or draw the foods that Mallard ducks eat.

A large rectangular box with an orange border containing four horizontal black lines for writing or drawing.

Math

Feeding wildlife can hurt other animals.

There are 14 ducks at the pond. Humans starting feeding them, and 13 more ducks moved to the area. How many Mallard ducks live at the pond now?

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

The Canada geese like to eat the same plants as the ducks. There were 34 Canada geese living at the pong. After humans starting feeding the ducks, 17 Canada geese had to leave because they couldn't find food. How many Canada geese live at the pond now?

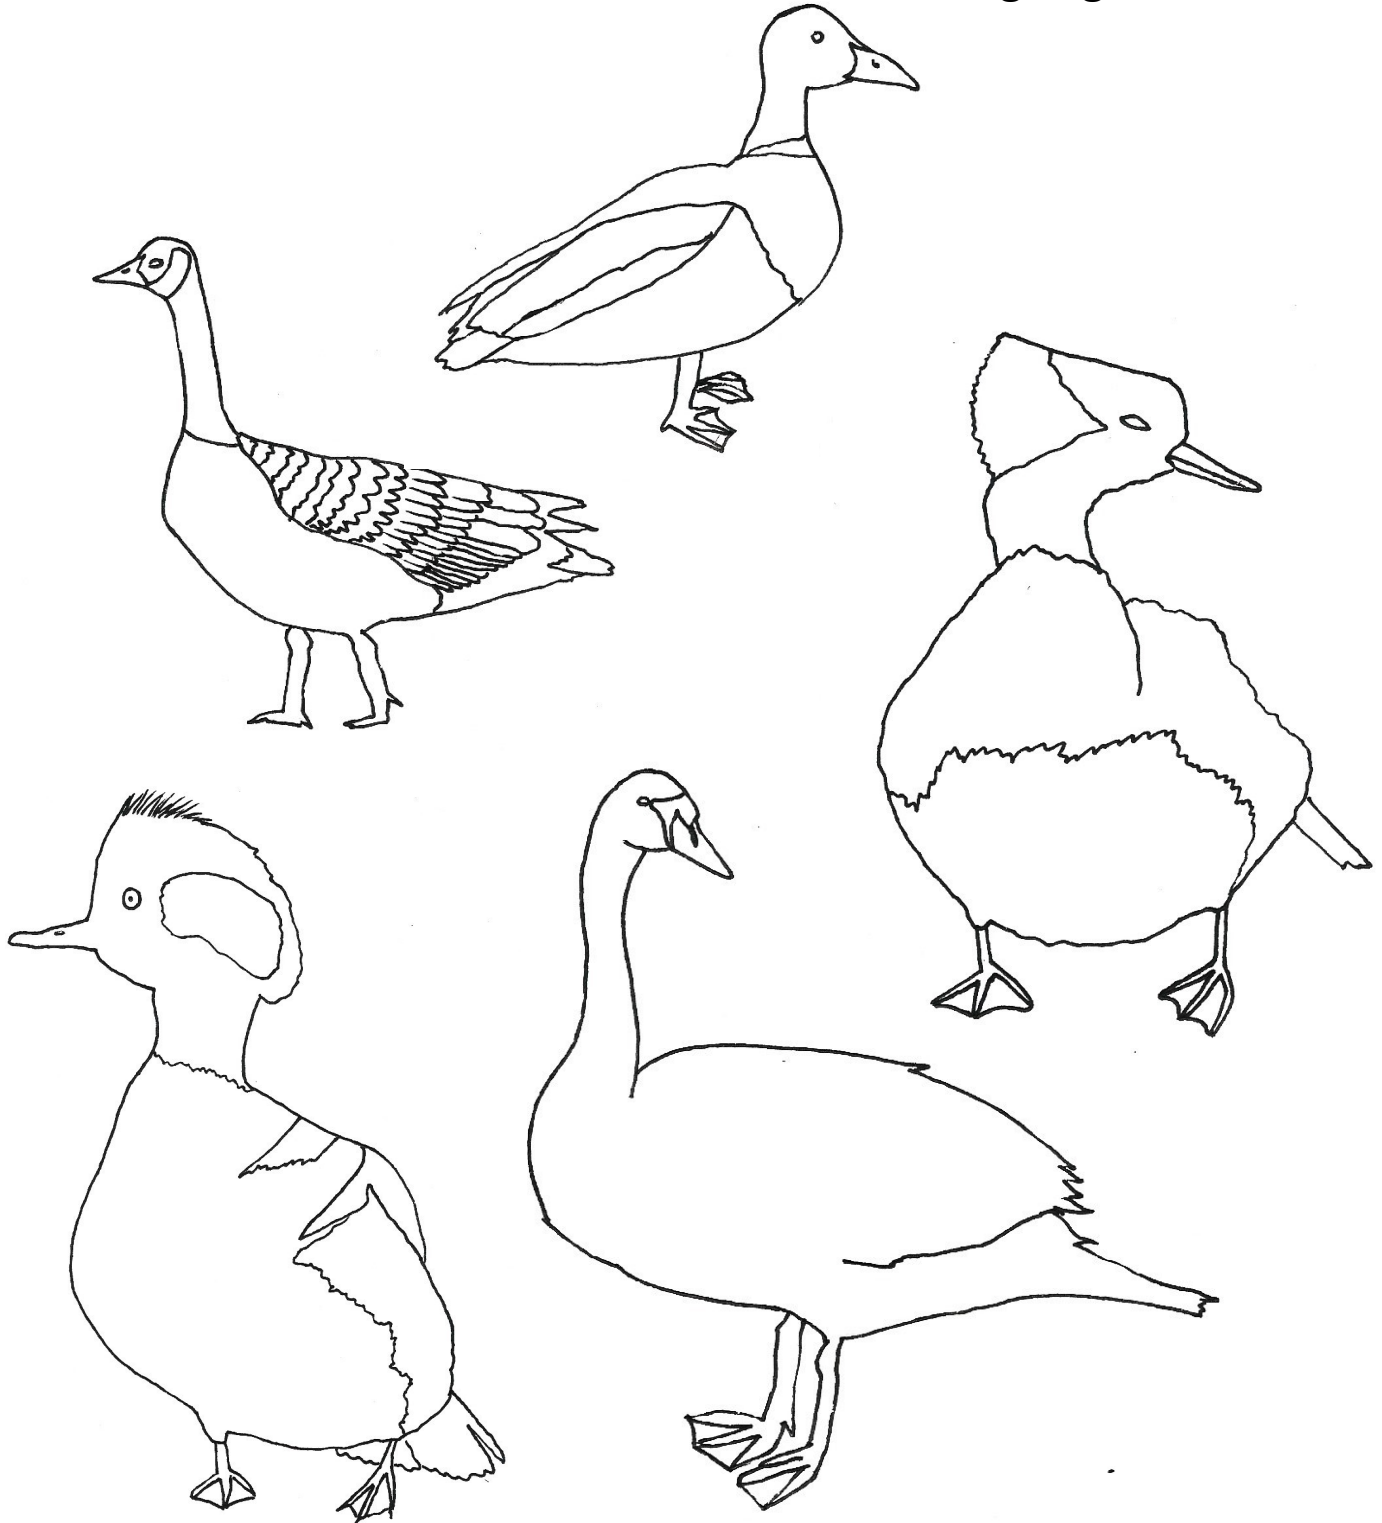

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

How many more Mallard ducks are there than Canada geese at the pond now?

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

Feeding wildlife can impact animals and cause overpopulation!
